Be Part Of the Solution Event

Every 3rd Wednesday at 6PM

Southwest Solutions' **Be Part Of the Solution** offers you a unique opportunity to get an inside look at a vital organization and community.

During the hour long tour you will hear John Van Camp, our visionary leader, speak passionately about the mission that has fostered a healthier southwest Detroit.

You will also tour one or more of the apartments that Southwest Housing Solutions has recently renovated including the Whitdel Apartments—a historic neighborhood jewel that includes an art gallery and studio space.

For more information contact **Bob O'Brien** at 313-297-1370 or email bobrien@swsol.org

10th Annual Go Getters Program Auction

September 17, 2009 at 5PM

Go Getters strives to reverse the way society looks at the homeless and mentally ill and to remove the "outcast" stigma by helping consumers re-enter society as productive, happy adults. Each year we hold a silent auction to supplement our budget; this year we hope to raise \$10,000 to replace our decaying roof.

You can help support our work by donating an auction item and by attending the Auction on September 17th at 5:00 PM, 2640 W. Vernor.

For more information contact Lee Ann Norris at 313-961-0677 or email lnorris@swsol.org

Annual Fundraiser

October 14, 2009 at 8 AM

We host one fundraiser a year called **Solutions at Sunrise**. This one-hour breakfast event is unlike any fundraising event you've ever attended. Built around the stories of people we've helped, **Solutions at Sunrise** offers a great way to get a vivid, insider's look into the programming of one of Detroit's most effective organizations. It is designed to introduce new friends to the work of the agency, while also inviting our guests to support the work we do through donations and other opportunities. The event is free and making a financial gift is optional. This year's event will be held at The Ford Conference and Event Center located at 1151 Village Rd., Dearborn, MI. For more information contact **Mary Madigan**, 313-297-1371 or email mmadigan@swsol.org
